

New Hampshire Family Court Day Preparation Checklist

A practical checklist for documents, exhibits, testimony preparation, logistics, and post-hearing follow-up.

Planning aid only. Not legal advice, not legal authority, and not an official court form. Court rules, forms, filing requirements, and agency information can change. Verify every legal or procedural step against a current official New Hampshire source before relying on it.

Before the hearing

- Read the hearing notice and current court rules. Confirm date, time, location, remote-access instructions, and allotted hearing time.
- Prepare a short issue list: what is agreed, what is disputed, what order is requested, and what evidence supports each request.
- Make a clean exhibit index. Bring only relevant, authentic records and enough copies if the court requires paper copies.

What to bring

- Photo identification, hearing notice, current orders, filed pleadings, proposed parenting schedule, financial affidavit, and support worksheet if required.
- A dated chronology, witness list, exhibit list, notebook, pen, and a backup plan for transportation and childcare.
- Contact information for any attorney, mediator, guardian ad litem, or agency involved in the case.

Presenting clearly

- Answer the question asked. Distinguish personal knowledge from assumptions or statements made by others.
- Focus on the children's needs, logistics, stability, safety, and the requested workable order rather than insults or character attacks.
- Ask to clarify any ruling or deadline you do not understand before leaving or ending the remote session.

After the hearing

- Write down the ruling and deadlines, then compare your notes with the written order when it arrives.
- Continue following the existing written order unless and until the court changes it.
- Calendar compliance tasks and preserve proof of filings, service, payments, and communications.
