

Manchester-Area Family-Law Help Preparation Sheet

An intake-preparation sheet for legal aid, lawyer-referral, limited-scope counsel, mediation, or courthouse assistance.

Planning aid only. Not legal advice, not legal authority, and not an official court form. Court rules, forms, filing requirements, and agency information can change. Verify every legal or procedural step against a current official New Hampshire source before relying on it.

Before contacting a program

- Have the docket number, court location, upcoming dates, names of all parties, and a short conflict-check list ready.
- State whether the issue concerns parenting, child support, enforcement, domestic violence, relocation, parentage, or another family matter.
- Explain any immediate deadline, safety issue, language-access need, disability accommodation, or limited ability to use online systems.

Financial eligibility information

- Household size, approximate income, major necessary expenses, public benefits, and whether the other party has counsel.
- Ask whether the program offers full representation, advice only, document review, a clinic, or limited-scope representation.

Official places to verify

- New Hampshire Judicial Branch self-help and forms pages.
- 603 Legal Aid and New Hampshire Legal Assistance eligibility and intake information.
- New Hampshire Bar Association lawyer-referral or reduced-fee information.
