

Two-Home Parenting Schedule Planner

A logistics-first planner for ordinary weeks, exchanges, holidays, school, transportation, and communication.

Planning aid only. Not legal advice, not legal authority, and not an official court form. Court rules, forms, filing requirements, and agency information can change. Verify every legal or procedural step against a current official New Hampshire source before relying on it.

Ordinary school week

- Monday: _____ Tuesday: _____ Wednesday: _____
- Thursday: _____ Friday: _____ Weekend: _____
- Identify exact exchange times and whether exchanges occur at school, childcare, or another location.

Test the schedule against real life

- School start and dismissal, childcare hours, work schedules, commuting time, transportation reliability, homework, activities, and bedtime routines.
- How will snow days, teacher-workshop days, illness, late activities, and missed transportation be handled?
- Does the proposal minimize unnecessary transitions while preserving meaningful time and predictable routines?

Holiday and vacation rules

- Define priority when a holiday conflicts with the ordinary schedule.
- Set notice deadlines for vacations, travel information, passports, and make-up time.
- Address birthdays, school breaks, summer weeks, and culturally or religiously important days.

Decision-making and information sharing

- School, medical, mental-health, extracurricular, emergency, and routine decisions.
- Direct access to providers and records where authorized; a neutral method for timely updates.
- A defined method for schedule-change requests that does not put children in the middle.
